

Technology Fit For Distribution Businesses

Epicor® business software—Epicor Prophet 21® and Epicor Eclipse™—provides distributors end-to-end business functionality with a low total cost of ownership. One dashboard can manage your orders, production, and financials, and get your business set for growth. With solutions available in the cloud or on premises, only Epicor can provide complete business digitization along with the refined distribution expertise that comes from nearly 50 years of deep experience.
